

## Locational Knowledge Exemplification

### Year 1

- Use basic geographical vocabulary to refer to key human features.

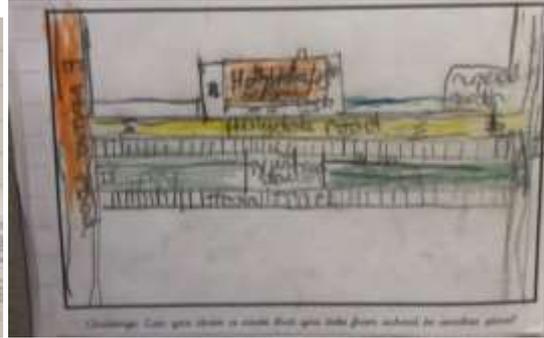

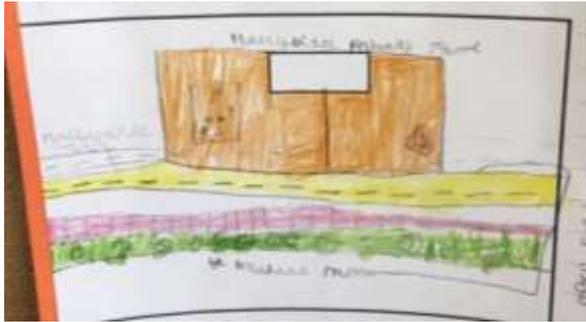

- Name and locate the world's seven continents and five oceans.

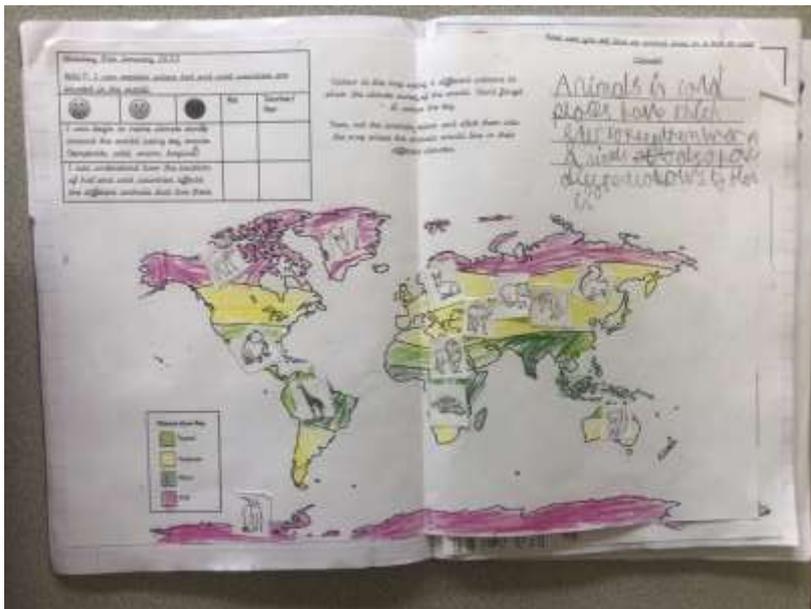

### Year 2

- Understand how some places are linked to other places, eg roads, trains.

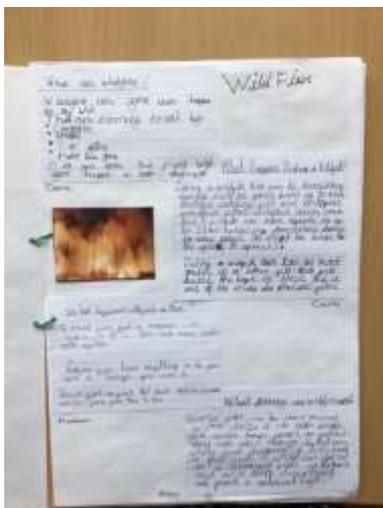

- Identify seasonal and daily weather patterns of the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.

### Year 3

- Recognise that people have a different quality of life living in different locations and environments.

- Understand and use a widening range of geographical terms eg specific topic vocabulary- meander, floodplain, location, industry, transport, settlement, water cycle etc.

Thursday 13<sup>th</sup> January 2022

Q1: Explain how volcanoes are formed.

I can name some of the parts of a volcano. ✓

I can tell you what happens when a volcano erupts. ✓

Teacher / TA / Peer / Group / Independent

Word bank / Writing frame / Working wall

### How Are Volcanoes Made?

1. Pressure builds up inside the ...
2. This then affects the Earth's ... so that ... can sometimes ... through it.
3. The ... and ... that have erupted through the crust build up to form the volcano.
4. This process is happening all the ...

Word bank  
time, Earth, erupt, crust, lava, magma, ash

1. Pressure builds up inside the Earth's crust.

2. This then affects the Earth's crust so that magma can sometimes erupt through it.

3. The lava and ash that have erupted through the crust build up to form the classic volcano cone shape over time.

4. This process is happening all the time.

Year 4

- Identify where countries are within Europe, including Russia.

Countries	1. Russia ✓ 2. Ukraine ✓ 3. Turkey 4. Poland	5. England ✓ 6. Belarus ✓ 7. Finland 8. Estonia
Cities	9. Moscow ✓ 10. Kiev 11. Istanbul 12. Warsaw	13. London 14. Minsk 15. Helsinki 16. Tallin
Seas and Oceans	17. North Sea 18. Baltic Sea 19. Black Sea	20. Mediterranean sea 21. North Atlantic sea

- Identify where countries are within the UK and key topographical features.

## UK Hills and Mountains

I can name and locate some of high ground in the UK.  
I can use a map or atlas to locate areas of high ground in the UK.

Use your atlas to find out the names of the areas of high ground marked on the map.

Number on Map	Name of Area
1	Dark Moors
2	Penines
3	Speire Mountains
4	North West Highlands
5	Grampian Mountains
6	Cumbrian Mountains
7	North Yorkshire Moors
8	Scottish uplands
9	Cumbrian Mountains
10	Brecon Beacons

### Year 5

- Locate the world's countries, using maps to focus on different continents, concentrating on their environmental regions, key physical and human characteristics and major cities.

~~WALF: explain the impact of the Chernobyl nuclear disaster.~~

WILF: I can explain how nuclear power is used to generate electricity.  
I can explain why the Chernobyl nuclear disaster happened.  
I can identify the countries affected by the Chernobyl nuclear disaster.  
I can explain some of the after-effects of the Chernobyl nuclear disaster.

Support: T, TA, G, P, I  
Resources: Word bank, sentence starters, key questions, picture prompts

Use an atlas to find the countries and shade them as suggested.

	Countries
Red (most severe)	• Belarus
Orange	• Ukraine
	• Russia
Yellow	• Sweden
	• Finland
	• Austria
	• Norway
Green	• Bulgaria
	• Switzerland
	• Greece
Blue (least severe)	• Slovenia
	• Italy
	• Moldova

Year 6

- Know locations of:

Capital cities and countries of British Isles and UK, seas around UK, European Union countries with high populations and large areas and the largest cities in each continent.

Friday 3rd December 2021

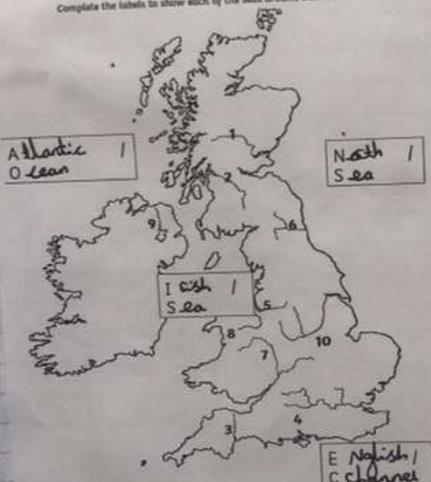

WALT: use maps, atlases, globes and digital/computer to locate countries and describe features studied in the context of the rivers and seas.

WILF: I can name and locate the main rivers and seas of the UK  
I can identify rivers and seas using atlases or map.

Support: Teacher / TA / Peer / Group / Independent

Resources: Word bank / Writing frame / Working wall / Atlas

Complete the labels to show each of the seas around the UK.

Number on map	Name of river	Sea it flows into
4	Thames	North sea
7	Severn	atlantic sea
10	Trent	North sea
1	Tay	North sea
9	Firth	atlantic ocean
6	Tyne	North sea
2	Clyde	Irish sea
8	Dee	Irish sea
5	Mersey	Irish sea
3	Exe	English channel

Questions

1. What do you notice about where the rivers start and end? Write an explanation.
2. What is the longest river and how long is it?

V.F. Crossing out

1. I noticed that most of the rivers in the united kingdom have noticed that many rivers start by hills & mountains and rivers.

2. The longest river is called River Severn

- Identify where countries are within Europe, including Russia.

WALT: locate the countries involved in WW2

- Key
- = Allies
  - = Axis
  - = Neutral

- Berlin
- London
- Moscow
- Washington
- Tokyo
- Sydney
- Melbourne
- Perth
- Auckland
- Wellington
- Christchurch
- Dunedin
- Invercargill
- Queenstown
- Timaru
- Blenheim
- Nelson
- Greymouth
- Westport
- Lyttelton
- Christchurch
- Dunedin
- Invercargill
- Queenstown
- Timaru
- Blenheim
- Nelson
- Greymouth
- Westport
- Lyttelton
