### Hollydale Food Bank

Dear Families,

I hope this message finds you well.

I am writing to remind and inform you about the food bank we run here at Hollydale. I started this initiative to support our families, recognising that from time to time, we all may need a little extra help. The food bank has made a huge difference to many members of our school community, and I am incredibly proud of the support it continues to provide.

I would like to take this opportunity to thank **Miriam Facey** for her invaluable support in helping to set up the food bank over two years ago. Her contribution has played a key role in making it the vital resource it is today.

The food we receive each week is intended for *all* families. Our aim is to reach as many households as possible, and to do so fairly. I kindly ask that everyone is mindful of this when taking food items—so we can ensure that *all* families who need support have the opportunity to benefit.

Thank you for your continued cooperation, and for being a part of such a caring and compassionate school community. Warm regards,

Ms R. Reid  
Headteacher
