

Art and Design Progression of skills and knowledge grid

EYFS:

- Return to and build on their previous learning, refining ideas and developing their ability to represent them.
- Explore, use and refine a variety of artistic effects to express their ideas and feelings.
- Create collaboratively, sharing ideas, resources and skills.

Drawing

	Year 1	Year 2	Year 3
Generating ideas	Explore their own ideas using a range of media.	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.	Generate ideas from a range of stimuli and carry out simple research and evaluation as part of the making process.
Sketchbooks	Use sketchbooks to explore ideas in an open-ended way.	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next.	Use sketchbooks for a wider range of purposes, for example recording things using drawing and annotations, planning and taking next steps in a making process.
Making skills (including Formal elements)	Use a range of drawing materials such as pencils, chalk, charcoal, pastels, felt tips and pens. Develop observational skills to look closely and reflect surface texture through mark-making. To explore mark making using a range of tools; being able to create a diverse and purposeful range of marks through experimentation building skills and vocabulary.	Further develop mark-making within a greater range of media, demonstrating increased control. Develop observational skills to look closely and reflect surface texture through mark-making. Experiment with drawing on different surfaces, and begin to explore tone using a variety of pencil grade (HB, 2B, 4B) to show form, drawing light/dark lines, patterns and shapes.	Confidently use of a range of materials, selecting and using these appropriately with more independence. Draw with expression and begin to experiment with gestural and quick sketching. Developing drawing through further direct observation, using tonal shading and starting to apply an understanding of shape to communicate form and proportion.
Knowledge of artists	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.	Talk about art they have seen using some appropriate subject vocabulary. Be able to make links between pieces of art.	Use subject vocabulary to describe and compare creative works. Use their own experiences to explain how art works may have been made.
Evaluating and analysing	Describe and compare features of their own and other's art work.	Explain their ideas and opinions about their own and other's art work, giving reasons. Begin to talk about how they could improve their own work.	Confidently explain their ideas and opinions about their own and other's art work, giving reasons. Use sketchbooks as part of the problem-solving process and make changes to improve their work.

Art and Design Progression of skills and knowledge grid

Drawing

	Year 4	Year 5	Year 6
Generating ideas	Generate ideas from a range of stimuli, using research and evaluation of techniques to develop their ideas and plan more purposefully for an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.

Painting and Mixed Media

EYFS: • Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons.

	Year 1	Year 2	Year 3
Generating ideas	Explore their own ideas using a range of media.	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.	Generate ideas from a range of stimuli and carry out simple research and evaluation as part of the making process.
Sketchbooks	Use sketchbooks to explore ideas in an open-ended way.	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next.	Use sketchbooks for a wider range of purposes, for example recording things using drawing and annotations, planning and taking next steps in a making process.

Art and Design Progression of skills and knowledge grid

Painting and Mixed Media

	Year 4	Year 5	Year 6
Generating ideas	Generate ideas from a range of stimuli, using research and evaluation of techniques to develop their ideas and plan more purposefully for an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.
Sketchbooks	Use sketchbooks purposefully to improve understanding, develop ideas and plan for an outcome.	Confidently use sketchbooks for purposes including recording observations and research, testing materials and working towards an outcome more independently.	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.
Making skills (including Formal elements)	Explore the way paint can be used in different ways to create a variety of effects, eg creating a range of marks and textures in paint. Develop greater skill and control when using paint to depict forms, eg beginning to use tone to create 3D effects. Work selectively, choosing and adapting collage materials to create contrast and considering overall composition.	Apply paint with control in different ways to achieve different effects, experimenting with techniques used by other artists and applying ideas to their own artworks eg <i>making choices about painting surfaces or mixing paint with other materials</i>. Develop a painting from a drawing or other initial stimulus. Add collage to a painted, printed or drawn background for effect. Explore how collage can extend original ideas. Combine digital effects with other media.	Manipulate paint and painting techniques to suit a purpose, making choices based on their experiences. Work in a sustained way over several sessions to complete a piece. Analyse and describe how colour is used in other artists' work. Consider materials, scale and techniques when creating collage and other mixed media pieces. Create collage in response to a stimulus and work collaboratively on a larger scale.
Knowledge of artists	Use subject vocabulary confidently to describe and compare creative works. Use their own experiences of techniques and making processes to explain how art works may have been made.	Research and discuss the ideas and approaches of artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.	Describe, interpret and evaluate the work, ideas and processes used by artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.
Evaluating and analysing	Build a more complex vocabulary when discussing their own and others' art. Evaluate their work more regularly and independently during the planning and making process.	Discuss the processes used by themselves and by other artists, and describe the particular outcome achieved. Use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.	Give reasoned evaluations of their own and others work which takes account of context and intention. Independently use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.

Art and Design Progression of skills and knowledge grid

Sculpture and 3D

	Year 1	Year 2	Year 3
Generating ideas	Explore their own ideas using a range of media.	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.	Generate ideas from a range of stimuli and carry out simple research and evaluation as part of the making process.
Sketchbooks	Use sketchbooks to explore ideas in an open-ended way.	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next.	Use sketchbooks for a wider range of purposes, for example recording things using drawing and annotations, planning and taking next steps in a making process.
Making skills (including Formal elements)	Use their hands to manipulate a range of modelling materials. Create 3D forms to make things from their imagination or recreate things they have seen.	Develop understanding of 3D forms to construct and model simple forms using a range of materials. Use hands and tools with confidence when cutting, shaping and joining paper, card and malleable materials. Develop basic skills for shaping and joining clay, including exploring surface texture..	Able to plan and think through the making process to create 3D forms using a range of materials. Shape materials for a purpose, positioning and joining materials in new ways (tie, bind, stick, fold). Experiment with combining found objects and recyclable material to create sculpture.
Knowledge of artists	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.	Talk about art they have seen using some appropriate subject vocabulary. Be able to make links between pieces of art.	Use subject vocabulary to describe and compare creative works. Use their own experiences to explain how art works may have been made.
Evaluating and analysing	Describe and compare features of their own and other's art work.	Explain their ideas and opinions about their own and other's art work, giving reasons. Begin to talk about how they could improve their own work.	Confidently explain their ideas and opinions about their own and other's art work, giving reasons. Use sketchbooks as part of the problem-solving process and make changes to improve their work.

Craft and Design

	Year 1	Year 2	Year 3
Generating ideas	Explore their own ideas using a range of media.	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.	Generate ideas from a range of stimuli and carry out simple research and evaluation as part of the making process.
Sketchbooks	Use sketchbooks to explore ideas in an open-ended way.	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next.	Use sketchbooks for a wider range of purposes, for example recording things using drawing and annotations, planning and taking next steps in a making process.
Making skills (including Formal elements)	Able to select colours, shapes and materials to suit ideas and purposes. Design and make something that is imagined or invented. Begin to develop skills such as measuring materials, cutting, and adding decoration.	Respond to a simple design brief with a range of ideas. Apply skills in cutting, arranging and joining a range of materials to include card, felt and cellophane. Experiment with techniques when trying out design ideas. Follow a plan for a making process, modifying and correcting things and knowing when to seek advice.	Learn a new making technique (paper making) and apply it as part of their own project. Investigate the history of a craft technique and share that knowledge in a personal way. Design and make creative work for different purposes, evaluating the success of the techniques used.
Knowledge of artists	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.	Talk about art they have seen using some appropriate subject vocabulary. Be able to make links between pieces of art.	Use subject vocabulary to describe and compare creative works. Use their own experiences to explain how art works may have been made.
Evaluating and analysing	Describe and compare features of their own and other's art work.	Explain their ideas and opinions about their own and other's art work, giving reasons. Begin to talk about how they could improve their own work.	Confidently explain their ideas and opinions about their own and other's art work, giving reasons. Use sketchbooks as part of the problem-solving process and make changes to improve their work.

Craft and Design

	Year 4	Year 5	Year 6
Generating ideas	Generate ideas from a range of stimuli, using research and evaluation of techniques to develop their ideas and plan more purposefully for an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.
Sketchbooks	Use sketchbooks purposefully to improve understanding, develop ideas and plan for an outcome.	Confidently use sketchbooks for purposes including recording observations and research, testing materials and working towards an outcome more independently.	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.
Making skills (including Formal elements)	Learn new making techniques, comparing these and making decisions about which method to use to achieve a particular outcome. Design and make art for different purposes and begin to consider how this works in creative industries.	Design and make art for different purposes and begin to consider how this works in creative industries eg in architecture, magazines, logos, digital media and interior design. Extend ideas for designs through sketchbook use and research, justifying choices made during the design process.	Develop personal, imaginative responses to a design brief, using sketchbooks and independent research. Justify choices made during a design process, explaining how the work of creative practitioners have influenced their final outcome.
Knowledge of artists	Use subject vocabulary confidently to describe and compare creative works. Use their own experiences of techniques and making processes to explain how art works may have been made.	Research and discuss the ideas and approaches of artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.	Describe, interpret and evaluate the work, ideas and processes used by artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.
Evaluating and analysing	Build a more complex vocabulary when discussing their own and others' art. Evaluate their work more regularly and independently during the planning and making process.	Discuss the processes used by themselves and by other artists, and describe the particular outcome achieved. Use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.	Give reasoned evaluations of their own and others work which takes account of context and intention. Independently use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.

Art and Design Progression of skills and knowledge grid

KS1 Formal Elements of Art

	Year 1	Year 2
Colour	Know that the primary colours are red, yellow and blue. Know that primary colours can be mixed to make secondary colours: • Red + yellow = orange • Yellow + blue = green • Blue + red = purple	Know that different amounts of paint and water can be used to mix hues of secondary colours. Know that colours can be mixed to 'match' real life objects or to create things from your imagination Know that colour can be used to show how it feels to be in a particular place, eg the seaside
Form	Know that we can change paper from 2D to 3D by folding, rolling and scrunching it. To know that three dimensional art is called sculpture.	Know that 'composition' means how things are arranged on the page. Know that pieces of clay can be joined using the 'scratch and slip' technique. Know that a clay surface can be decorated by pressing into it or by joining pieces on.
Shape	Know that paper can be shaped by cutting and folding it.	Know that collage materials can be shaped to represent shapes in an image. Know that shapes can be organic (natural) and irregular. Know that shapes can be geometric if they have mostly straight lines and angles. Know that patterns can be made using shapes.
Line	Know that drawing tools can be used in a variety of ways to create different lines. Know that lines can represent movement in drawings.	Know that lines can be used to fill shapes, to make outlines and to add detail or pattern.

Art and Design Progression of skills and knowledge grid

KS2 Formal elements of Art

	Year 3	Year 4	Year 5	Year 6
Colour	Know that complementary colours appear opposite each other on the colour wheel, and when placed next to each other, a strong contrast or 'clash' is created. Know that paint colours can be mixed using natural substances, and that prehistoric peoples used these paints.	To know that adding black to a colour creates a shade. To know that adding white to a colour creates a tint.	To know that artists use colour to create an atmosphere or to represent feelings in an artwork, for example by using warm or cool colours.	To know that a 'monochromatic' artwork uses tints and shades of just one colour. To know that colours can be symbolic and have meanings that vary according to your culture or background, eg red for danger or for celebration.
Form	To know that three dimensional forms are either organic (natural) or geometric (mathematical shapes, like a cube). To know that organic forms can be abstract.	To know that using lighter and darker tints and shades of a colour can create a 3D effect. Know that simple structures can be made stronger by adding layers, folding and rolling.	To know that an art installation is often a room or environment in which the viewer 'experiences' the art all around them. To know that the size and scale of three-dimensional art work changes the effect of the piece.	To know that the surface textures created by different materials can help suggest form in two-dimensional art work.
Shape	To know that negative shapes show the space around and between objects.	To know how to use basic shapes to form more complex shapes and patterns.	To know that a silhouette is a shape filled with a solid flat colour that represents an object.	To know how an understanding of shape and space can support creating effective composition.
Line	To know that different drawing tools can create different types of lines.	To know that lines can be lighter or darker, or thicker or thinner and that this can add expression or movement to a drawing.	To know that lines can be used by artists to control what the viewer looks at within a composition, eg by using diagonal lines to draw your eye into the centre of a drawing.	To know how line is used beyond drawing and can be applied to other art forms.

Art and Design Progression of skills and knowledge grid

KS2 Formal elements of Art

	Year 3	Year 4	Year 5	Year 6
Pattern	To know that pattern can be man-made (like a printed wallpaper) or natural (like a giraffe's skin). To know that the starting point for a repeating pattern is called a motif, and a motif can be arranged in different ways to make varied patterns.	To know that symmetry can be used to create repeating patterns. To know that patterns can be irregular, and change in ways you wouldn't expect.	To know that artists create pattern to add expressive detail to art works, for example Chila Kumari Singh Burman using small everyday objects to add detail to sculptures.	To know that pattern can be created in many different ways, eg in the rhythm of brushstrokes in a painting (like the work of van Gogh) or in repeated shapes within a composition.
Texture	To know that texture in an artwork can be real (what the surface actually feels like) or a surface can be made to appear textured, as in a drawing using shading to recreate a fluffy object.	To know how to use texture more purposely to achieve a specific effect or to replicate a natural surface.	To know how to create texture on different materials.	To know that applying thick layers of paint to a surface is called impasto, and is used by artists such as Claude Monet to describe texture.
Tone	To know some basic rules for shading when drawing, eg shade in one direction, blending tones smoothly and with no gaps. To know that shading is used to create different tones in an artwork and can include hatching, cross-hatching, scribbling and stippling.	To know that using lighter and darker tints and shades of a colour can create a 3D effect. To know that tone can be used to create contrast in an artwork.	To know that tone can help show the foreground and background in an artwork.	To know that chiaroscuro means 'light and dark' and is a term used to describe high-contrast images.
