### Working Together to Maintain a Respectful School Community

Dear Parents and Carers,

I am writing to remind everyone of the importance of maintaining respect, kindness, and discretion within our school community.

Recently, I have been made aware of allegations of gossip and unkind comments being shared among parents. While I will not discuss individual cases, I want to make it clear that such alleged behaviour is not acceptable and goes against the values and ethos of our school.

Hollydale School is a place where children, staff, and families should all feel safe, respected, and supported. We have a Parent Code of Conduct which sets clear expectations that all members of our community treat one another with dignity and refrain from spreading unverified information or engaging in behaviour that could harm others.

We ask all parents and carers to communicate respectfully, both in person and online, and to bring any concerns directly to the school so that they can be addressed appropriately.

Gossip and speculation can cause unnecessary distress and do not reflect the strong, caring community we are proud to have at Hollydale.

Thank you for your continued support in upholding our school values and ensuring that our playground and wider community remain positive, inclusive spaces for everyone.

**Ms R Reid**
